

Mission Partner Highlights

CareNet Pregnancy Resource Centers

Care Net PRC's vision is that every woman and man struggling in an unplanned pregnancy would come through their doors and be transformed in Christ. Since 1990, our mission partner CareNet has provided help and support to thousands, providing resources for unplanned pregnancies, teaching abstinence, sharing the gospel, and offering spiritual healing. They operate medical centers in Manassas, Woodbridge, and Warrenton with all services provided at no cost to clients. For further details and information go to: www.voice4life.org.

Save Lives, Fill a Bottle

The CareNet "Change for Life Baby Bottle Campaign" at Greenwich has begun. You've been saving your loose change for a whole year now and the time has come to fill a baby bottle and donate to this ministry of helping women and their families as they experience the challenge of an unplanned pregnancy. The coins, cash and checks you donate will help spare lives, spare hearts, and share the Gospel. Please return your filled bottles by April 12.

God's word says in Genesis 1:27, *"So God created man in His own image, in the image of God He created him; male and female He created them."* Because God made us in His image, LIFE IS PRECIOUS!
